

St. Mary Levee District Base Map

Bayou Teche Flood Control Structure

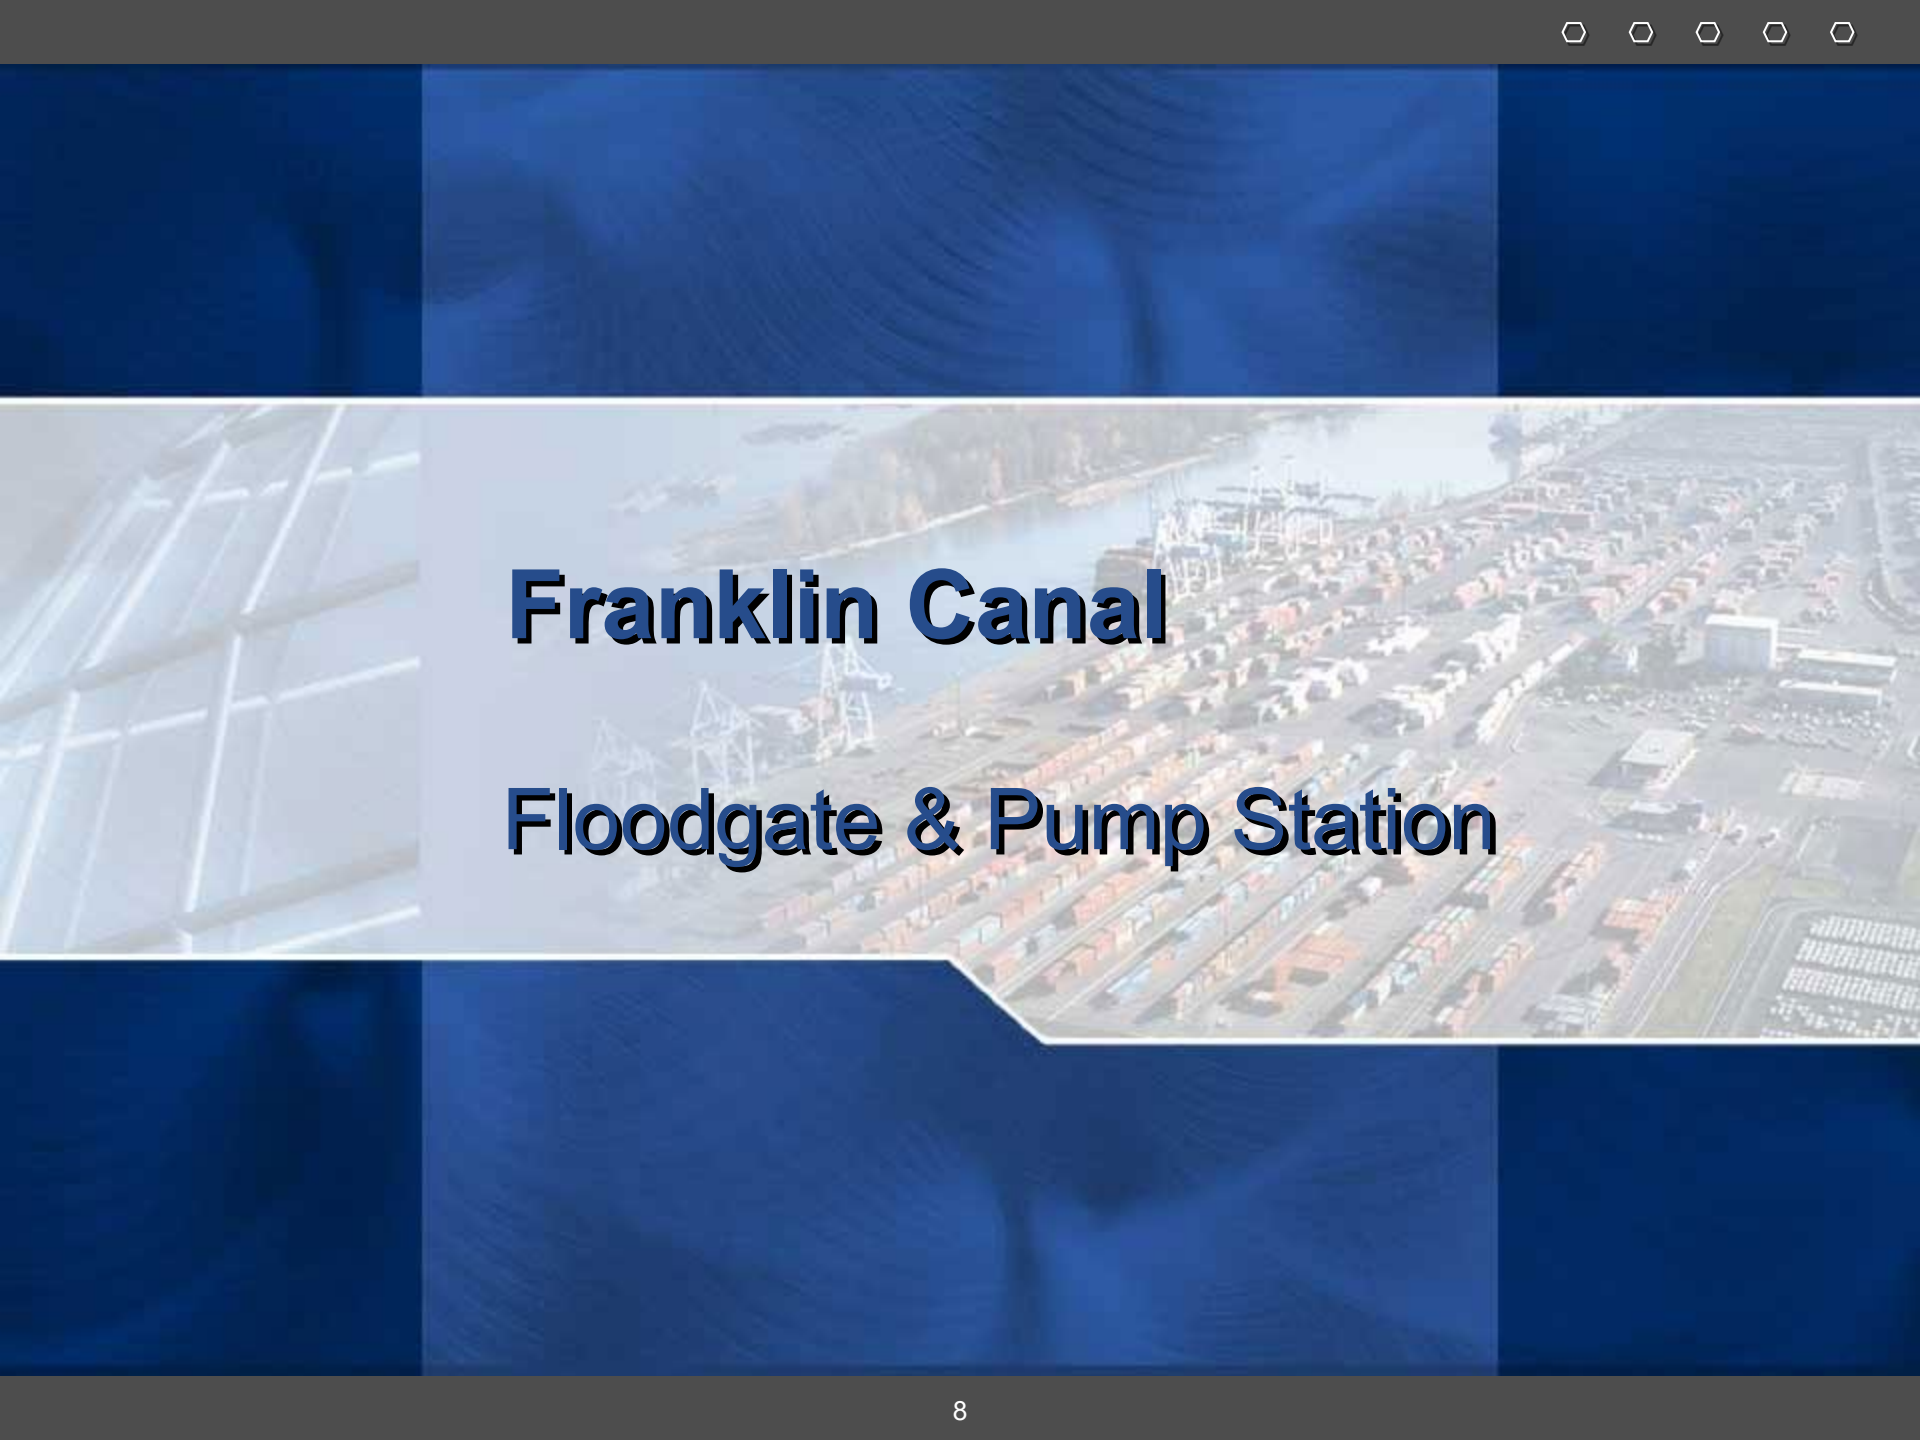

Yokely Extension

Franklin Canal

Floodgate & Pump Station

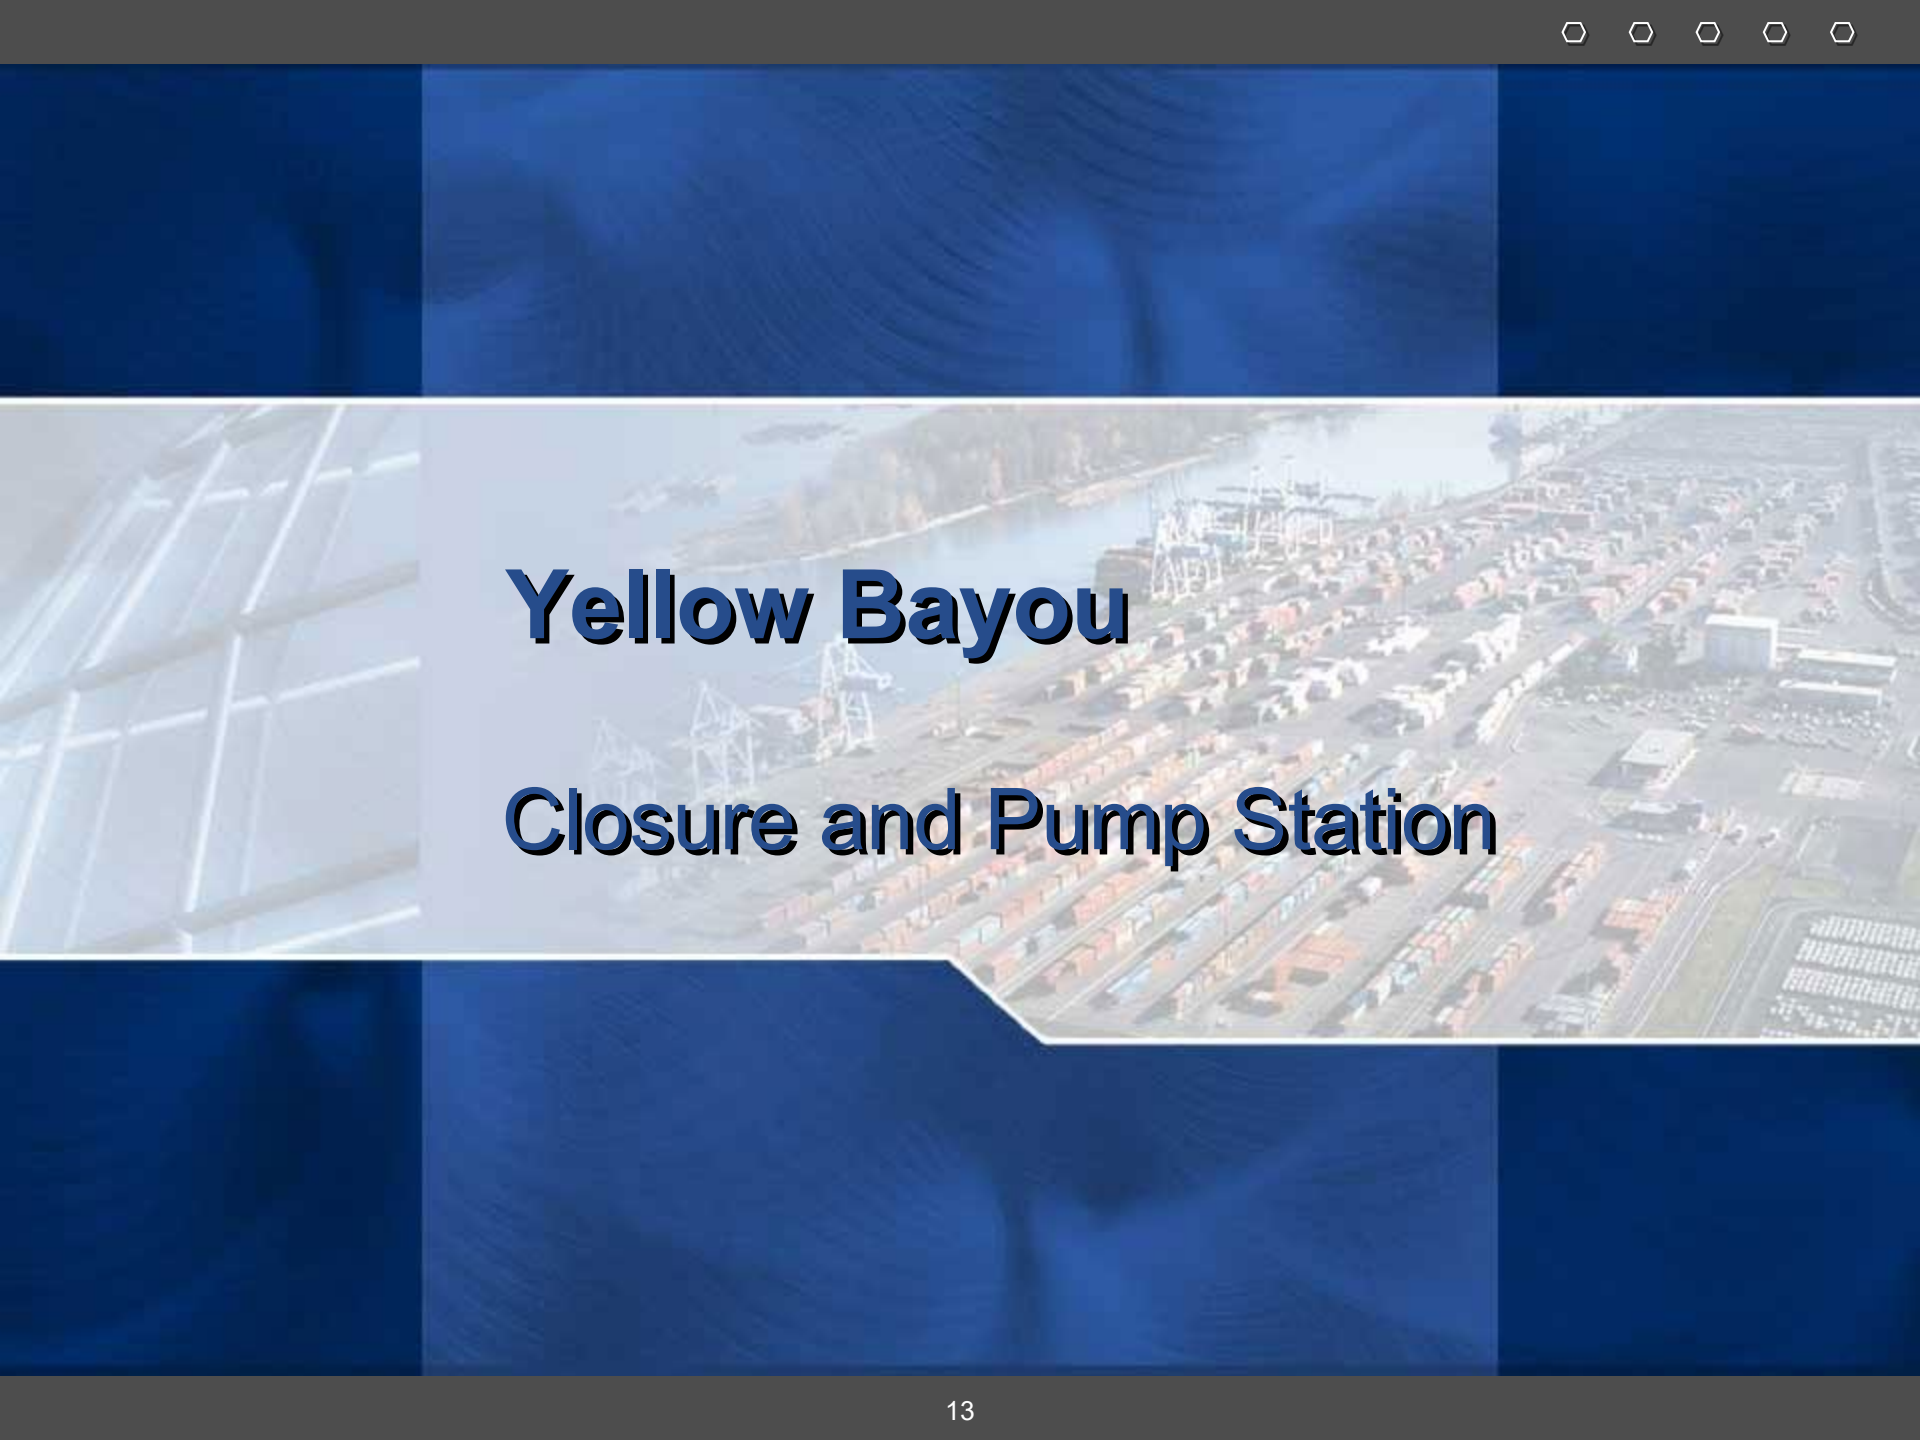

Hanson Canal

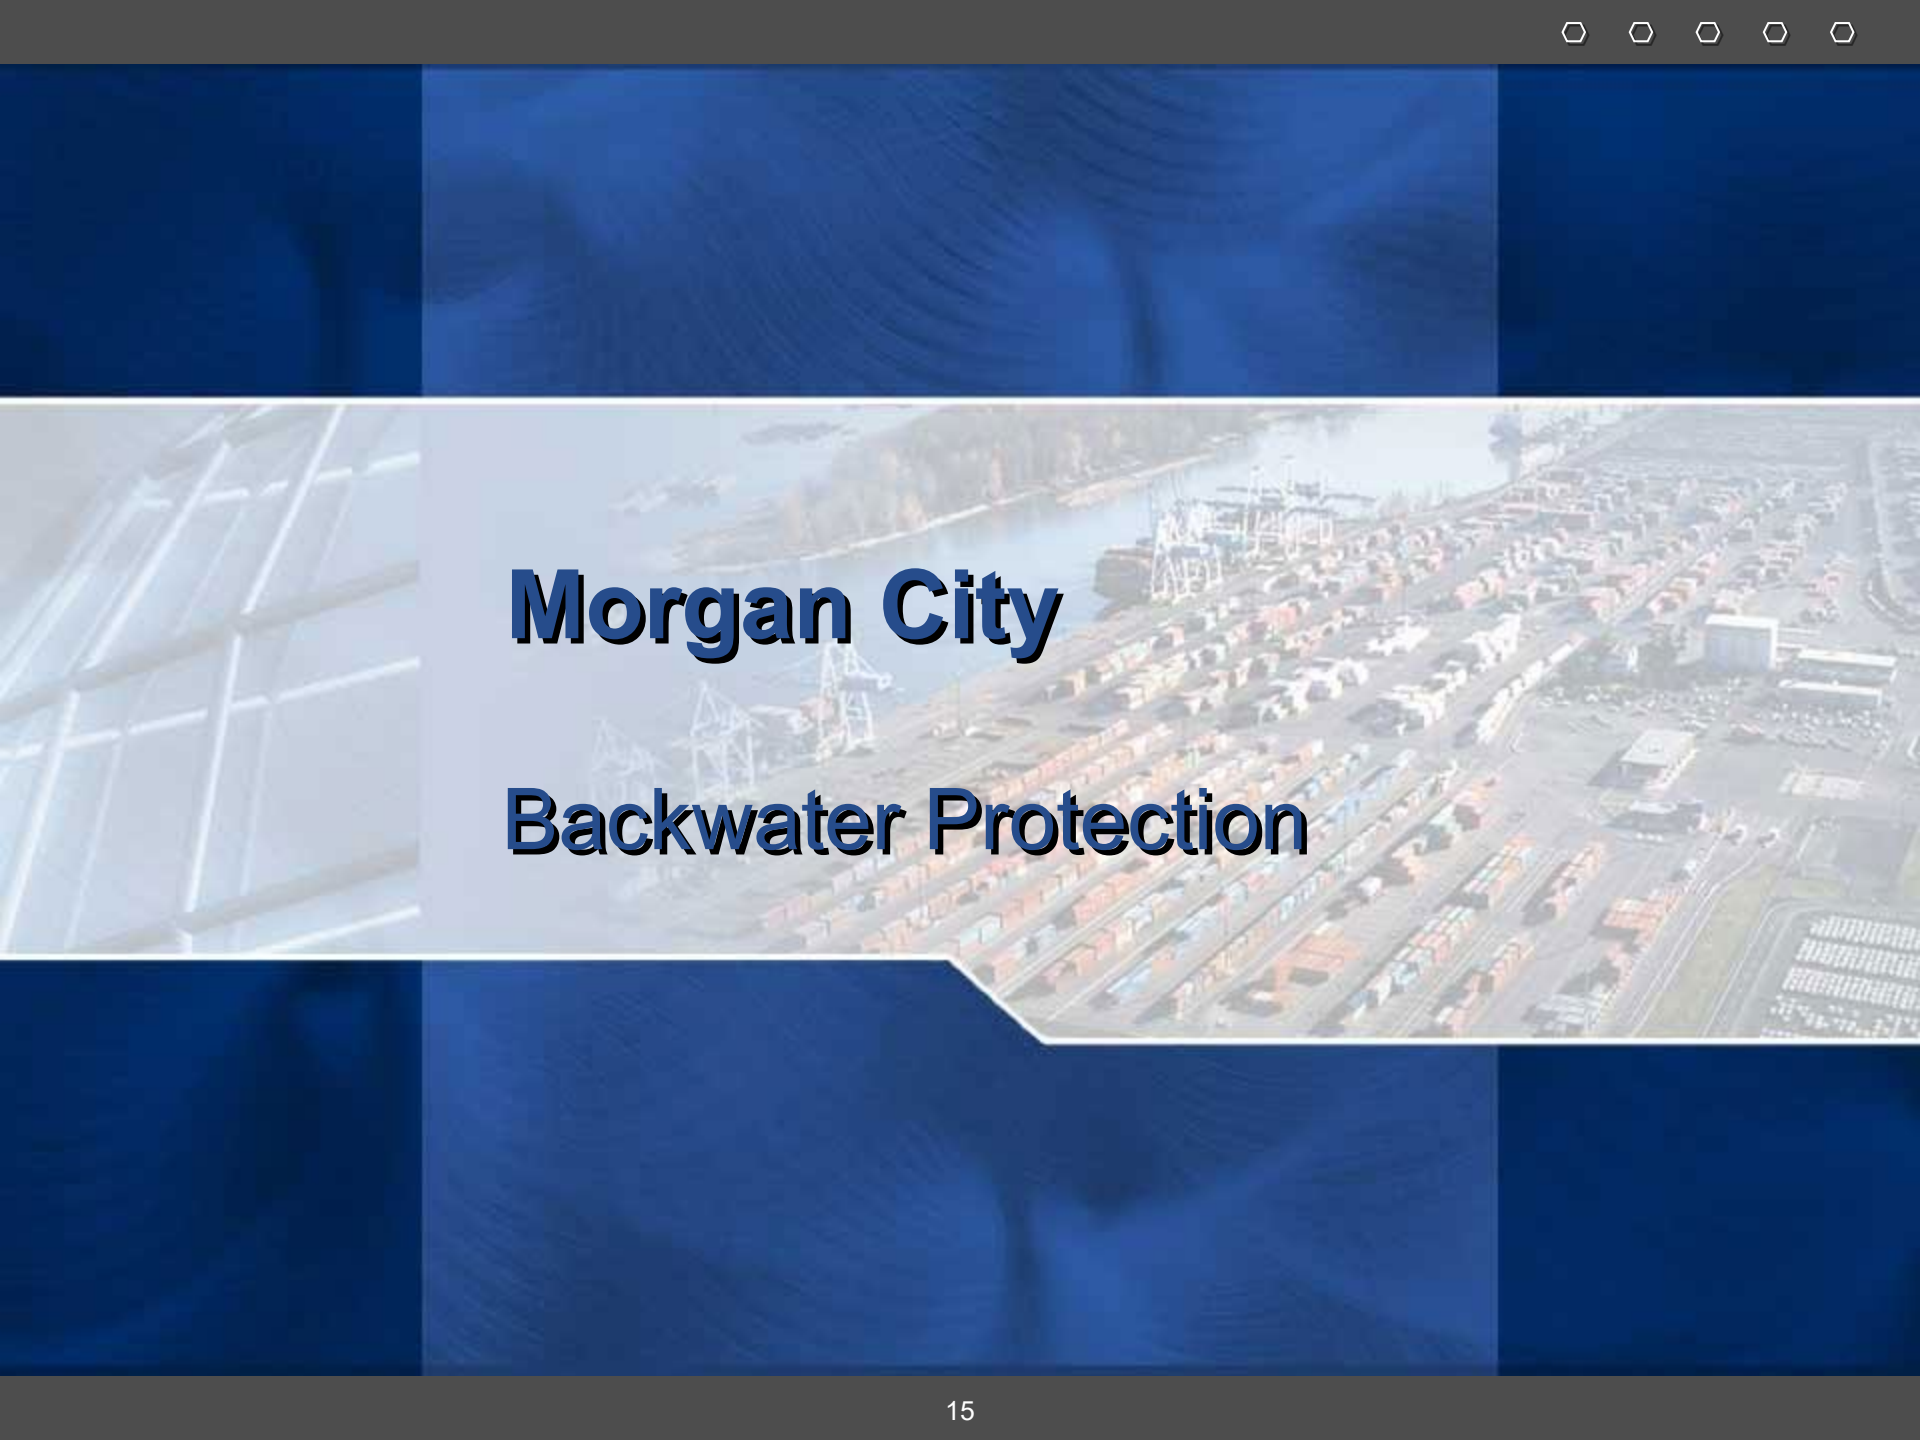

The background of the slide is a dark blue gradient with a faint, wavy pattern. A horizontal band across the middle shows an aerial view of a port area with many colorful shipping containers and cranes. On the left side of this band, there is a close-up image of a building's glass facade. The text 'Yellow Bayou' is overlaid on the port image in a bold, dark blue font.
